

Shipway Constructions

Building a home, building a lifestyle

If you need a quick quality reno, knock-down rebuild or a brand new home **talk to us**. Together we can plan and create your dream home.

Create Your New Custom Designed Home

New Builds - Single or Multi-dwellings

A block of land presents an exciting opportunity to build your dream home. At Shipway we use our expertise and the latest products for a high quality build.

Transform Your Existing Home

Home Renovations and Extensions

Families grow and change over time. So do our living preferences and personal tastes. An extension and bathroom or kitchen renovation can transform your house into the perfect home.

A Team You Can Trust

Anthony Shipway and his team take great personal pride in every project. Our team of highly skilled and qualified carpenters and tradespeople will provide you with a quality finished home, on time and on budget.

We consult with you every step of the way and work closely with your Building Designer or Architect. We offer invaluable advice and support for all aspects of your project.

Our Guarantee - The Shipway Difference

- Exceptional finished product
- Clean, well-presented homes throughout the build
- Highest standard of craftsmanship
- Open communication and collaboration at all times
- Best building experience with the Buildertrend App

Professional Building Services

Port Macquarie and the greater Mid North Coast
