

Name your project:

Online Store specialising in stools require a logo design that represent our product style

Task description:

We need a logo design for our new online store.

We are an Australian company specialising in stools (Bar Stools, Breakfast Stools , and Footstools) made from different materials from all over the world. Our product style is handmade and they come in Industrial, Vintage, and Rustic style.

Our online store's theme has white color background.

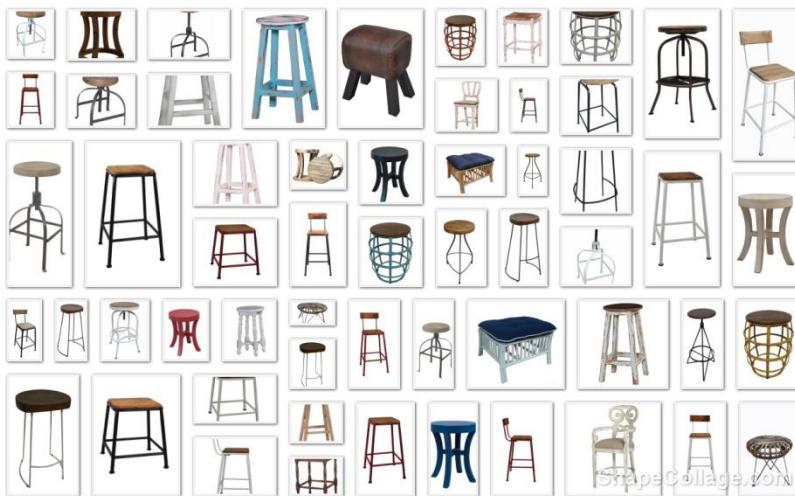

Please have a look some screen shoot in the attachment file.

Logo text: Just Stools

Additional : I think logo with our product would be the best logo for us.

SOME LOGOS THAT WE HAVE RECEIVED AND WE DON'T LIKE

So far, these are some of the logos that we have received and we think it's not representative enough of our stool collection. In other words, we are not happy with these.

Hopefully it will help you guys to decide the concept.
