At The Sweet Room, we make everything
fresh from scratch all day, everyday, using
the finest ingredients.

At The Sweet Room, our cupcakes,
cookies, pies and cakes are baked from
scratch in small batches throughout the
day. We bake the old fashioned way,
without the use of preservatives or
stabilizers, so our goods are meant to be
enjoyed right away.

No event is too large or too small for The
Sweet Room! We specialize in cupcake
trees and dessert tables, adding a sweet
touch to any event. We will work with you
to personalize your design.
