

## *Just the thought of moving is stressful...*

When an older adult considers,  
—or is urged by family members —  
to leave a long-term home to  
enter community living,  
the feelings can be overwhelming.  
Downsizing is difficult.

Often the loved one's family,  
though busy or out-of-town,  
wants to help.

Besides needing to know what to do,  
**the really hard part is getting it all done!**  
The move can be physically and emotionally  
draining for all.

*That's where we can help!*

We provide an array of services  
to gracefully  
move to a new residence.

*Providing the Compassion,  
Dignity and Respect  
Seniors So Richly Deserve*

***Creating Graceful Home Transitions***

## It is our privilege to serve seniors and their loved ones.

Let us help you downsize to assisted living, memory care, skilled nursing residence or another home. We can help organize, list your home and help you move. We handle the *many* details, documents and deadlines. We coordinate the move — all with total integrity.

It's comforting to know we are on-site for all inspections, appraisals, donation pickups and repairs. We work closely with residents, families, community directors, attorneys and executors, as needed.

If a family or loved one is relocating to Naples, we can help with that too. In short, the entire transition to a new residence is worry-free for seniors and loved ones.

### We serve:

- **Seniors** who have decided the time is right to move to community living, to a smaller residence, or to a family setting
- **Family members** assisting loved ones with a transition in living arrangements
- **Adults dealing with the passing of a loved one** who need an experienced professional to organize, clean and stage the home to ready it for sale
- **Busy professionals** who want to assist — but lack the time or cannot — move a loved one and sell their home
- **Family members** moving to Naples
