Requirement

- We are building a new website portal which will deliver multiple services.

- The Portal Page (Home Page) will host General items and a link to all web services. Each web service will also have multiple menu items which need a web icon. You will notice web icons will be repeated in each service.

- Icons are needed for all Green Text.

- The lists are given to give context only.

Specifications

- Format: .PNG with transparent background
- Dimensions: All icons in both 32 x 32 and 100 x 100 pixels dimensions.
- Theme: The theme must be kept consistent across all services.
- Icon Relevance: Icon must be relevant to menu Option (Default to a standard if there is one)

- *Note:* ***360 Review Icons are for Demo only,***
  you do not need to use them if you have can make/find more relevant ones.

34 Web icons needed.
