□ end, so neatly trim ends and butt together.

Disclaimer:

KAYU® hardwood decking products are carefully selected and inspected to ensure the finest quality. However, all natural wood is subject to expansion and contraction as the moisture in the environment surrounding the wood changes. Shrinkage, expansion, checking and other movement are normal occurrences in all hardwood decking. Natural wood products are subject to variances in color, grain, density and performance.

ALUMINUM RAILINGS

YOUR DECK • OUR PASSION • YOUR PRIDE

Arbutus Sundecks aluminum railings are a resilient and economical alternative to steel, iron or wood. They are attractive, easy to clean and guaranteed. Our aluminum railings are custom made and fully welded. This ensures that your railings will fit perfectly and will remain solid and rigid for your lifetime. We use materials that meet all North American building code requirements and we use the latest technology. Our railings are powder coated according to tough AAMA 2604 Weathering Specifications, which result in a long-lasting investment capable of withstanding any weather condition and ultraviolet damage for years to come.

Our Aluminum Railing Systems come with many customizable features including:

- ✓ Fascia mount
- ✓ Top mount
- ✓ Standard black & white
- ✓ 7 designer colours
- ✓ Custom colours available
- ✓ 8 different top rails to choose from
- ✓ Wide picket, straight picket, basket picket or glass infills
- ✓ Adjustable rail height
- ✓ Tinted & Obscure glass available
- ✓ Decorative accessories
