

Cowan

IMAGING GROUP

"With a hand picked group of expert printers, artists, a master die maker, and a seasoned sales force, Cowan has moved into the elite group of the screen and digital print industry. Exceptional quality, reasonable pricing, and a high level of service is what we commit to our clientele."

Blaine MacMillan - President

FLEET GRAPHICS/WRAPPS

Fleet GRAPHICS

Vehicle graphics grab attention. They are one of the most cost effective methods of communicating your message. With quality printed materials and installation expertise, your message will be proudly displayed for years. Put our extensive experience with vehicle and fleet graphics to work for you. We can increase your visibility no matter what type of vehicle or fleet you operate. "Your success is our success!"

DECALS

Get Your Name in All The Right Places

Manufacturing to Marketing, the possibilities are endless. We manufacture decals and promotional items to meet a variety of needs. Get your name in all the right places. The possibilities are endless. Decals and promotional items are an effective way to build brand awareness with clientele, while establishing a brand for your business.

With a wide array of quality material and films to choose from, Cowan gives you exactly what you have in mind for your decals. Printed images range from a single colour to full colour digital. Our extensive die cutting capabilities allow us to print and cut a product to almost any shape desired. Die cut products include faceplates, fridge magnets, 3 dimensional displays, decals and more.
