BINS

Deskside Containers

Deskside collection bins and containers are an excellent alternative or addition to a console in an office. The compact design of The Shredinator and The PDC allows for them to be easily stored beside or under a desk.

Consoles

Our standard console sizes are 27" and 36" and work great in an office environment where paper is collected in medium to large amounts.

Carts

Our standard bin sizes are 96 Gallon and 64 Gallon which are great for mail rooms, warehouses, or other areas where space is not a constraint and large amounts of paper are collected.
