

Help a child find their passion to success and open the door to a great future!

Each year, Project ReCycle reaches out to the community to raise the funds necessary to help over 1,500 children strive for success. It is our commitment to keep our costs low and opportunities for children high, and that is where we need your help. A \$50 sponsorship provides a child with a bicycle, helmet, lock, and the opportunity to achieve success and gain confidence in their abilities.

Project ReCycle has become very good at recycling bicycles from the community and through our **Dream Bike Program**, the children have achieved an 89% success rate of excelling in **attendance, grades and respect to earn** these bicycles. However, the financial gap to fill the need of safe bicycles for these kids is growing.

We envision a world where every child experiences the joy and freedom associated with a bicycle.

PROJECT
RECYCLE

...You may help fill the gap by becoming a **MISSING LINK** donor or sponsor...here is how:

Sponsor a child:

- ☐ \$50 annual donation sponsors a child
- ☐ \$50 monthly donation sponsors 12 children each year
- ☐ \$Other: _____

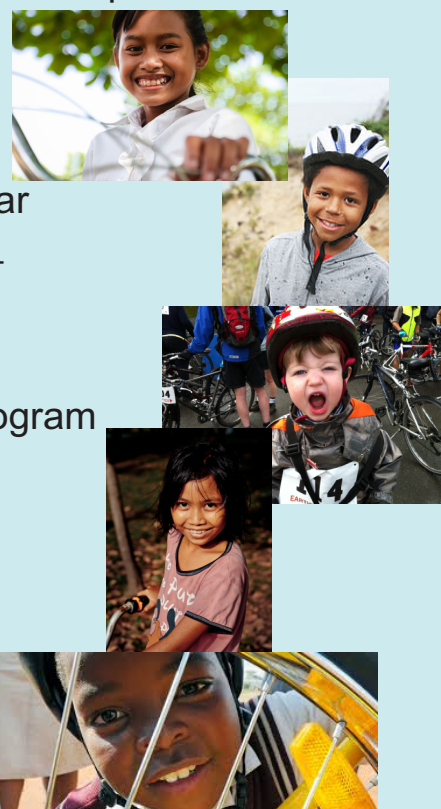

Sponsor a school:

- ☐ \$15,000 sponsors an entire school's Dream Bike program

Name: _____

Email: _____

Phone#: _____

We envision a world where every child experiences the joy and freedom associated with a bicycle.
