

Example of how we use icons

Why we need the icons

Human Figure Styling

Keith Haring Styled Figures

Line Icon Based Styling

**8 SPECIALIZED ICONS TO DESIGN
(THIS IS THE HARD BIT)**

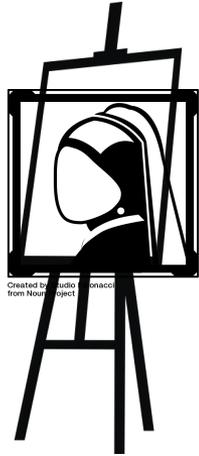

ART, ARTIST, CURATOR, COLLECTIVE, COLLECTOR, GALLERY

ART V1 –
Famous
painting

Created by Studio Fibonacci
from Noun Project

ART-V2- Painting on
easel – need to adjust
perspective of painting
so its not flat

Created by Studio Fibonacci
from Noun Project

ARTIST – one
person painting
(added to the ART
V2 Icon)

Created by Juan Pablo Bravo
from Noun Project

Created by Oksan Berni
from Noun Project

CURATOR –
person presenting
a painting

Created by Irene Hoffman
from Noun Project

Created by irene hoffman
from Noun Project

COLLECTIVE – two or more artists
next to each other – perhaps with
arms around each other

COLLECTOR – Person
holding a half
packaged painting

Find a way to make
it clear the package
under their arm is
the painting

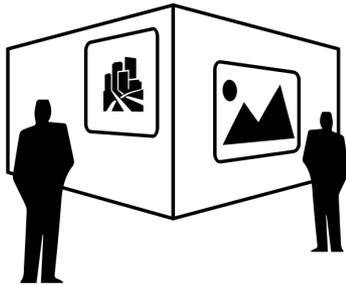

GALLERY - Building
with an artwork
inside it

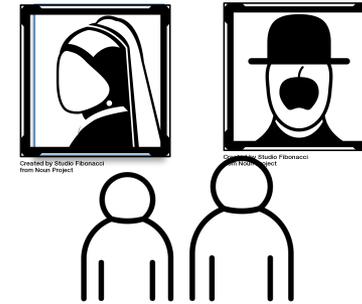

EXHIBITION, 4 ideas for discussion (we only need one icon)

EXHIBITION V1 – Two painting hanging on a corner with people looking at them

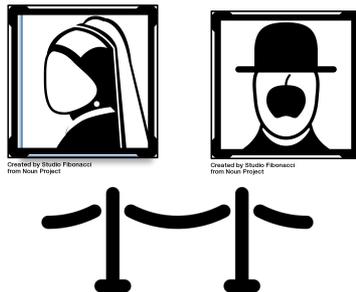

Created by Vijay Ragavan
from Noun Project

EXHIBITION V2 – Two painting hanging on a flat wall with people looking

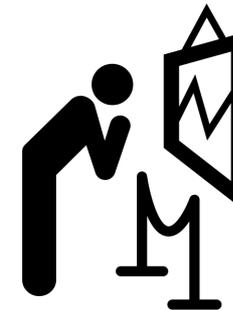

Created by Artem Kovyazin
from Noun Project

EXHIBITION V3 – Two painting hanging on a flat wall behind a barrier

Created by Sergey Demushkin
from Noun Project

EXHIBITION V4 – Two painting hanging on an angled wall behind a barrier with people looking

Created by Luis Prado
from Noun Project

COLLECTION

COLLECTION– One of many paintings in a collection (NOTE THE VERSION WE HAVE IS TOO HEAVY)

Created by Studio Fibonacci
from Noun Project

Created by MONTANA RUCOBO
from Noun Project

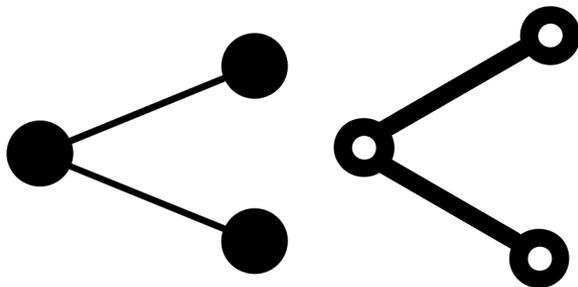

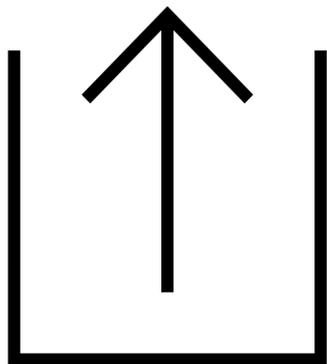

**5 GENERIC ICONS TO ADAPT
(LESS ABOUT DESIGN, CREATIVITY
MORE ABOUT CONSISTENCY WITH THE
OTHER ICONS YOU DELIVER)**

SHARE x 2 needs to be thin, need iOS and android versions

1X INFORMATION icon

SHARE – IOS option

SHARE – Android Option

Created by Sergey Novosyolov from Noun Project

Created by Guilhem from Noun Project

Created by Rohith M S from the Noun Project

Follow icon x 2 – needs to be thin, delicate, need heart and star options

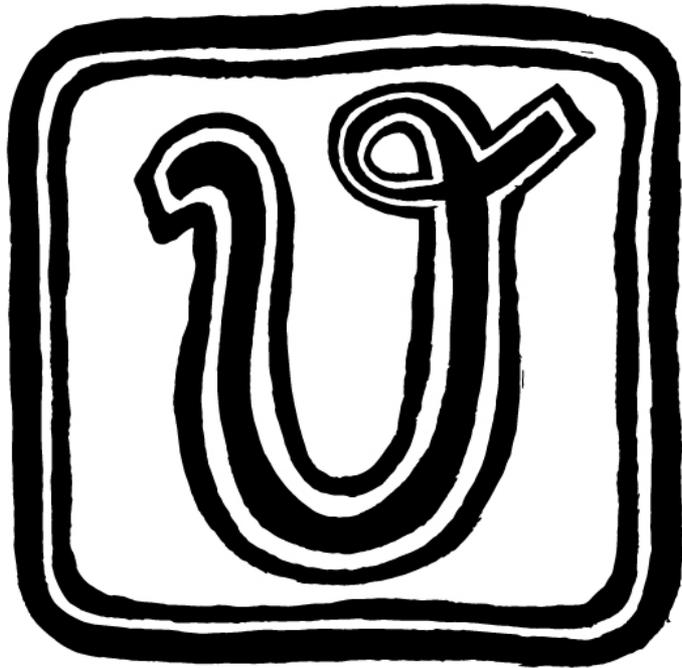

1 LOGO TO SIMPLIFY/ IMPROVE

(Our logo will evolve, at this stage all you need to do is turn it into a vector and simplify and improve it – not reinvent it)

Simplify the logo– fewer lines –
smoother – more, flat conventional
border

Our Logo

the logo is based on
the V in Vincent Van
Gogh's signature

Copy and convert these 3 icons into a vector graphic (we have designed it in pixels)
