

Technology at work for you

## Connecting To Your Business

Meridian Investigative Group, Inc. services the insurance industry by delivering complete cost effective investigative solutions. We have been servicing the insurance fraud community for over 10 years and plan to continue with expanding our assets into markets that will further develop value driven solutions to our customers. At Meridian we believe the only easy day was yesterday, which drives us to further innovate and keep the competitive edge amongst our industry.

## Your Nationwide Partner

*Meridian has a network of strategic partners that can handle investigations in states outside our main coverage area. Please contact your account representative if you have an assignment outside of our coverage area.*
