Securities offered through LPL Financial, member FINRA/SIPC

Note to designers:

Note that the wording in the paragraph starting with "John Dawson" has been through a legal approval process. I need to use that wording exactly as it is written here. The "Securites offered" wording is a legal disclosure that I have to place on all correspondence. It should be easily readable (not fine print) and probably works best on the side of the card with the address space. The placement and look of the wording is at your discretion. Thanks!
