What is Livsnjutarklubben?

Livsnjutarklubben is an exclusive "Club" for people who enjoy life (eg. Spa retreats, good food etc), health & wellness. Livsnjutarklubben can best be translated to "The club for people to enjoy life's pleasure"

The club is an exclusive club for members to either be invited in or, apply for membership. Coaches for eg. Fitness, health & wellness, travels abroad to retreats will be available for members to take part in.

Thoughts about the logo:

The logo should have 1 symbol and text and the logosymbol and text should be able to work on their own. Eg. Only the logosymbol should be able to be printed alone, or the text alone, or both logo and text together.

Se example [img maria_akerberg](#). The top logosymbol working on its own, while the text (Maria Åkerberg) also working on its own while also they use both logosymbol and text together on printed items.
