- 127MW successfully executed DG
- Top-tier utility scale developer
- \$745M financed to date
- Won 66MW Toronto School Board project in competition with 50 bidders
- Other flagship projects with IKEA, Canadian Tire, and Lowes

United Kingdom

2014 to present

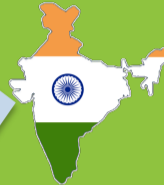

- JV with \$180B Apollo Group
- 150MW fully financed operating assets
- 300MW fully contracted and slated for commissioning in next three years
- \$190M financed to-date
- AT UL DG Project IRR exceeding market by >100bps

Focused Growth: India

2015 to present

- On track for portfolio of +1GW by 2020 in India
- Highest growth in solar market globally
- Well-positioned to scale asset platform
- Present in India since early-2015

Other High Growth Markets

Japan

- 500MW of development and shovel-ready backlog with large pipeline
- First 75MW to be in construction by Q316

United States

- Focused on Community Solar, Corporate PPA and small/medium sized utility scale
- Over 200MW backlog with large actionable pipeline

AMP HAS DEEP EXPERTISE IN BOTH ROOFTOP AND GROUND MOUNT PROJECTS

Open Access Private PPA

- Utility scale projects that have bi-lateral PPAs with India's best known corporate brands and MNCs

AMP Edge:

- Leverage our existing global relationships across 700+ C&I projects
- India Team have 184MW private PPA experience including the country's first open access project in renewables

Programmatic Rooftop

- AMP expects to be a leader in programmatic roof-top solar
- High growth DG verticals include schools, hospitals, and canal tops

AMP Edge:

- Leverage engineering and execution experience across hundreds of projects
- India Team has created one of the fastest growing rooftop business

Government PPA for Ground Mount

- Stranded projects: near NTP, near-PPA, last-mile capital, distressed developers
- Dedicated capital for immediate liquidity to these opportunities

AMP Edge:

- Global team comes with significant M&A background
- India Team has led one of the largest portfolio acquisitions in the country and also comes with an M&A, PE and corporate finance background
