

## Building relationships through customer satisfaction.

### EXPERIENCE

We have successfully completed over 150 Maryland K – 12 flooring projects for the following LEA's:

AACPS            FCPS            MCPS  
ACPS            HCPS            PGCPs

We are proud of the **partnerships** we have developed with these **school systems** by exceeding their expectations.

### SOLUTIONS

We provide multiple solutions for your flooring needs. We answer, before you ask.

### SERVICE

We are committed to providing a seamless flooring experience while being sensitive to the considerations of working in educational facilities.

### PARTNERSHIPS

We believe it is a collaborative effort with the client in addressing their flooring needs through our synergistic approach to customer service.

### EXPERIENCE AND EXPERTISE

Since 1976, L&R Floors has been the leading commercial flooring contractor in the Baltimore/Washington area. Our company is built on the strength of our services, integrity and exceptional customer service. With a superior management team comprised of flooring experts, we not only offer a wide range of the latest products, but **over 38 years of experience.**
