

ABOUT US

UNIVERSITY OF MIAMI

Rosenstiel School of Marine & Atmospheric Science

The **Rosenstiel School of Marine & Atmospheric Science** has grown into one of the leading academic, oceanographic and atmospheric research institutions in the world.

The School's basic and applied research interests encompass virtually every facet of marine-related sciences.

Located on Virginia Key, FL, the School's main campus offers year-round access to the marine environment and forms part of a specially designated 65-acre marine research and education park that is also home to two **NOAA** laboratories.
