# WHO IS JENELLE EVANS?

Jenelle Evans is best known for her starring role on MTV's Hit Series "Teen Mom 2" since 2009.

Born on December 19th, 1991 in Oak Island, North Carolina, Jenelle rose to fame on MTV's hit show 16 and Pregnant. After the success of her episode of 16 and Pregnant, Jenelle was hand selected to star in the MTV spin-off series, Teen Mom 2.

Evans graduated in 2015 from Miller-Motte Technical College, with a Medical Assistant Degree. Jenelle currently continues to pursue her education in Surgical Technology, which has been a dream of hers since 2012.

Jenelle is the proud mother to two boys, Jace Evans born August 2, 2009, and Kaiser Griffith born June 29, 2014. Both children star in Teen Mom 2 alongside Evans.

Because of the success of Teen Mom 2, Jenelle and her co-stars have gone on to film more seasons of the series than any other cast. Premiering in January of 2011, the show was met with record breaking statistics, due in large part to interest in Jenelle's life.

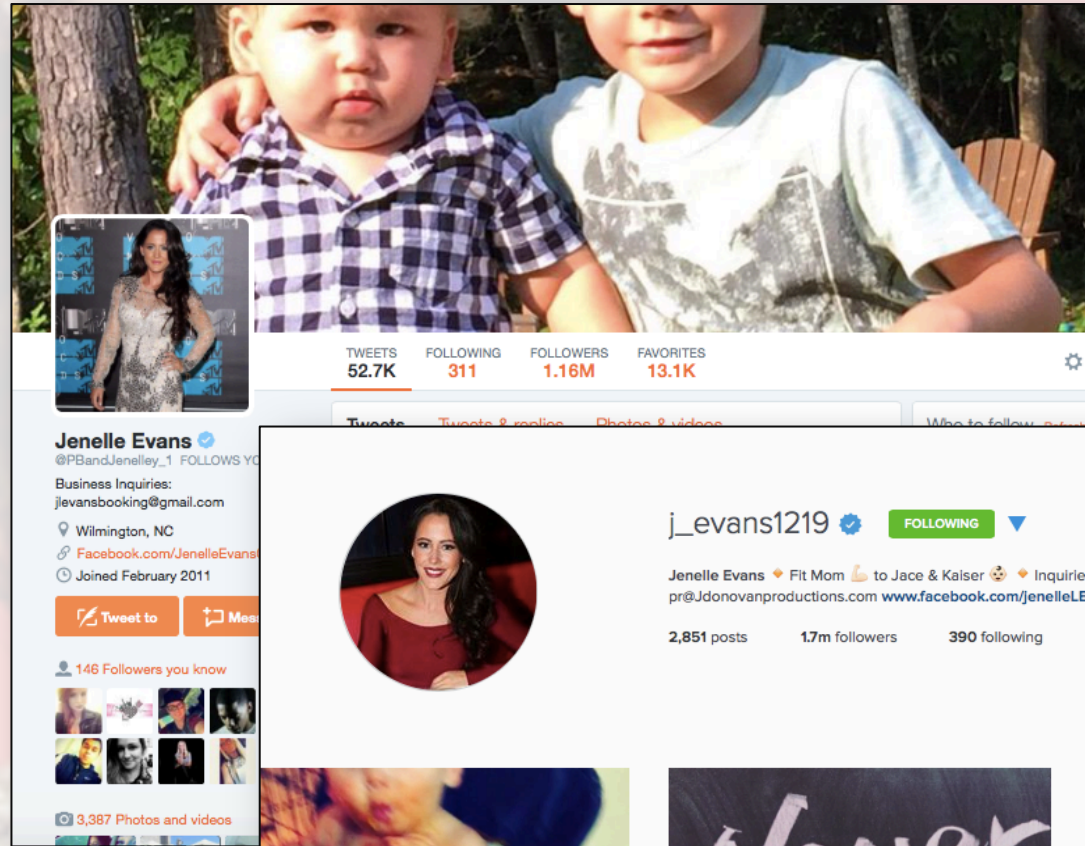

With a combined social media following of over 3.5 million fans, Jenelle has strong influence in the lives of teens and young adults through Facebook, Twitter, and Instagram. Evans is one of the most interactive reality stars to date. She regularly interacts with fans, posts pictures, gives fitness tips, and engages her fans on a daily basis. In 2015, Jenelle began working on her autobiography, and plans to share her story with fans and viewers in late 2016.

Find out who the 'Teen Mom 2' cast member had by her side.

by Jordana Ossad 8/30/2015

Jenelle Evans' first time at the MTV Video Music Awards was definitely an affair to remember, and the "Teen Mom 2" cast member had a very entertaining date by her side throughout the event: her mother Barbara. That's right, Jace and Kaiser's grandma accompanied her daughter to the musical extravaganza — or as Babe probably called it, the Video Music AWAAHHHDS.
