

#### **CHANGES**

- 1) Expand or stretch width of logo created to size shown by lines to side of butterfly
- 2) Change color of COMPANY Font to a medium Grey (screen of black). Leave font same as you used – I changed font to see what it looked like in Grey.

#### **SAMPLES**

Provide sample on white background and also black background so we can see how it will look when printed on black.

- 1) Butterfly and elle – change pink to (Pantone 806) - R-255 , G-62 , B- 181

- 2) Butterfly and elle - change to Turquoise R-0, G-255, B-255
