

All About PCU

PCU Performance Coating is owned and operated by Mark Hicks. He opened the business in response to the need for a customized, small-run powder and ceramic coating provider serving individuals and businesses throughout Central Illinois. The business continues to grow and now services customers throughout the United States. PCU Performance Coatings is dedicated to the highest level of service for both consumer and industrial customers.

Specializing in:

- Ceramic Coating
- Powder Coating
- Thermal Heat Extraction
- Metal Parts Stripping
- Gas Tank Renu
- Authorized Distributor of Be Cool and DeWitts Radiators
- Chrome & Anodize Plating
