

# ION v2X

UNRELENTING ENERGY<sup>†</sup>  
MULTI PHASE PRE-WORKOUT<sup>†</sup>

## The PERFORMIX™ v2X Difference UNRELENTING ENERGY

Performix™ ION v2X is the hardest hitting, fastest working pre-workout in the Performix™ franchise. This formula is designed for next-level athletes who require extreme energy to crush their goals.<sup>†</sup>

### Unrelenting Energy

ION v2X is designed with an electric shock of extreme energy that hits hard and fast up front, but still sustains you throughout the duration of your workout. The Synergistic Energy Complex balances the flood of caffeine for a smooth but powerful effect.<sup>†</sup>

### Enhanced Muscle Endurance<sup>†</sup>

Maximize your power when pushing past physical limitations. ION v2X's Strength Matrix is powered by CarnoSyn®, L-Citrulline Malate 2:1, Betaine Anhydrous and BioPerine® to support and sustain your muscular strength.<sup>†</sup>

### Heightened Mental Focus<sup>†</sup>

Mental energy and stamina are key to hard-hitting physical conditioning. The Neuro Energy Matrix of Teacrine® and Alpha-GPC provide combat fatigue and provide the focus to achieve your goals.<sup>†</sup>

### Clinically Dosed Transparent Labeling

ION v2X contains transparent formulations that are designed for maximum efficacy.

**SUGGESTED USE:** As a dietary supplement, adults mix 1 serving (1 scoop) with 8 ounces of cold water 20-30 minutes prior to workout. Do not exceed one (1) scoop per day. This product should not be taken in combination with other products containing caffeine or other stimulants. Some individuals may experience a harmless tingling sensation, which is attributed to beta alanine in this product. Do not take within six (6) hours of bedtime. Prior to each use, shake container vigorously to ensure evenly dispersed beads. Please read the entire label before use. **Please read the entire label before use.**
