Fundraising

On behalf of the Centra Cares Foundation, Centra Construction Group hosts annual charity golf tournaments, which are a key part of our annual fundraising efforts. Each year the proceeds raised go towards employee and board nominated charities. Centra Construction Group matches the funds raised dollar for dollar.

***Giving** is at the heart of who we are*

How Centra Cares

Centra Construction Group has long been committed to giving back to the community. Centra's dedication to giving has been displayed by 30+ years of supporting charitable causes, humanitarian work and fundraising. The Centra Cares Foundation became a registered charitable foundation in 2015 to further support people and communities in need.

Over the last 5 years Centra has donated over **\$500,000** to charitable organizations.

Every year Centra reaches out to local charities nominated by employees and Board of Directors and supports them financially with donations and by supplying and installing windows, doors and siding to those organizations in need. Centra Cares Foundation works closely with Centra Construction Group to facilitate giving programs.

What *Giving* means at Centra

At Centra we're very proud of our people and culture, because ***Giving is at the heart of who we are.*** Being a good corporate citizen is more than just creating jobs, it's about connecting with the communities we operate within and finding ways to align and support them. Whether it's supporting a family who is struggling or providing funding to charitable organizations.

Giving

How are Partner Charities Selected?

Centra Construction Group employees nominate Canadian charities in need of support and charities can apply online.

We support these wonderful causes or partner with them to offer continued support.

Apply online at: Centracares.ca/who-we-support/

Where does my money go?

100% of your donation goes directly to the charities we support.

Centra Construction Group does all of the administration for Centra Cares Foundation and does not charge the Foundation for these expenses. All of our directors are volunteers and are not paid for their time.

How can I make a difference?

Giving is more than just writing cheques.

Centra likes to put time and resources into bettering the communities it serves.

How will you give?

You can get involved by:

- Volunteering your time
- Donating products or services
- ***Giving*** a donation at Giving@centracares.ca

Valued Partnerships

NightShift Ministries

One night per month a group of dedicated employee owners volunteer as a team at NightShift Street Ministries and prepare and serve meals at a local shelter to provide brotherhood, friendship and clothing to those in need. NightShift Street Ministries is a not-for-profit, Christian multi-denominational society working with poor, vulnerable and under-resourced men and women in the community, 365 days a year.

La Semilla Ministries

Every few years, Centra partners with La Semilla Ministries and travels to Nicaragua. In 2013 we volunteered in the small community of Mojica to help repair their local school, donated playground equipment and built a rancho community center. In 2015 a delegation of 17 committed employee owners trekked to Nicaragua to continue our mission of hope and contribute to the construction of a local medical clinic.

Wagner Hills Ministries - New Life Centre

Centra Construction Group and Centra Cares was able to provide all new windows and exterior doors for their New Life Centre at drastically reduced prices, as well as provide a \$5,000 donation. Wagner Hills programs work to heal men and women in body, mind and soul.
