

Garda Sikkerhet Intro

- Garda is a newly established perimeter security companies comprising of 6 companies with leading market positions in each of their respective local markets. Leading local positions have been secured through operational excellence and strong quality focus in every aspect
- The companies deliver and install perimeter security, fencing, passage control for people and transportation
- Some production within the group, but mostly sourced products
- Large share of revenue from municipalities, the Norwegian state and state owned companies such as Statnett and Jernbaneverket
- After merging the companies they have become the national perimeter security market leader in Norway

Local brands in group...

- Systemsikring
- Solheim Gjerdenett
- Lauritsen Gjerdefabrikk
- Håland og Karlsson
- Røa Gjerdefabrikk
- OSN Anleggsikring
