

Clayton Youth Enrichment Services (YES)! has served the children and families of Tarrant County for more than 40 years. Our after school enrichment programs for school age children offer parents the comfort of knowing their children are safe and having fun while Mom or Dad finishes their work day.

Clayton has come a long way from the 27 children we served in our first program in 1975. In 2016, more than 7,000 children played and learned with us in after school programs, pre-kindergarten programs, and through special partnerships such as One Safe Place, Tarrant County's family violence resource center. The times may have changed since 1975, but Clayton is still devoted to nurturing and serving the youngest members of our community.
