CORNHOLE

CRUSH

Fight MS

a tournament benefiting multiple sclerosis

JUNE 3rd, 12-4pm
@ Elks Lodge #2482
160 Truck House Road
Severna Park, MD

My mom was diagnosed with multiple sclerosis in 1999. In an effort to make more of an impact on the lives of those living with MS, my cousin, Maddison, and I started this annual fundraiser. Our cornhole tournament is a way for us not only to raise money to fund services and research in the fight against MS, but a way for us to raise awareness about this devastating disease.
