## GERNAL FACTS

*This new landmark within the city skyline  
symbolizes the economic powers of the  
country and its contribution to the Gulf region.*

# PUBLIC FLOORS | Preliminary Concept

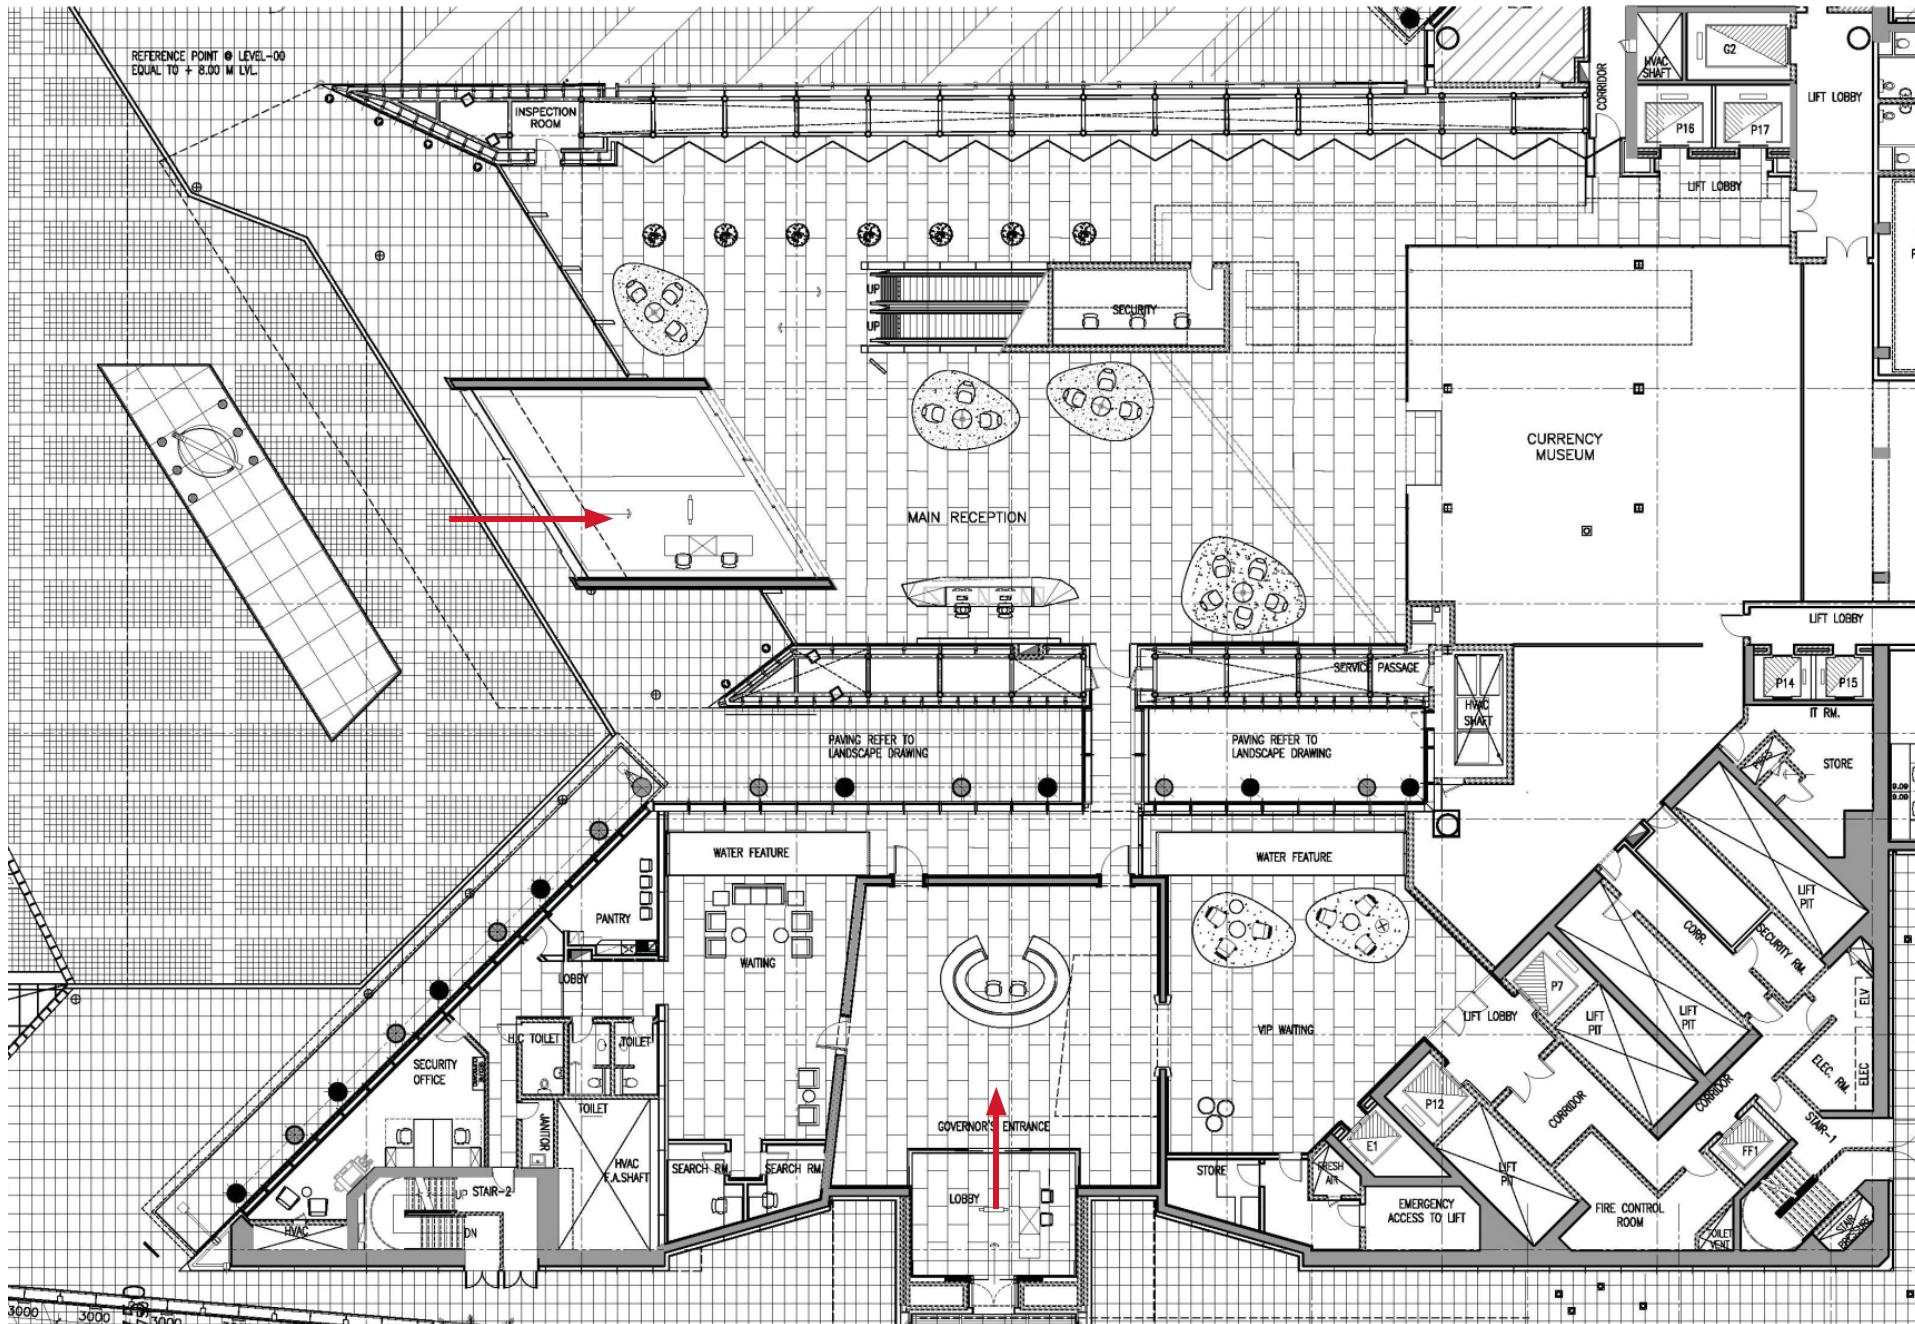

Level 0 | Main Entrance

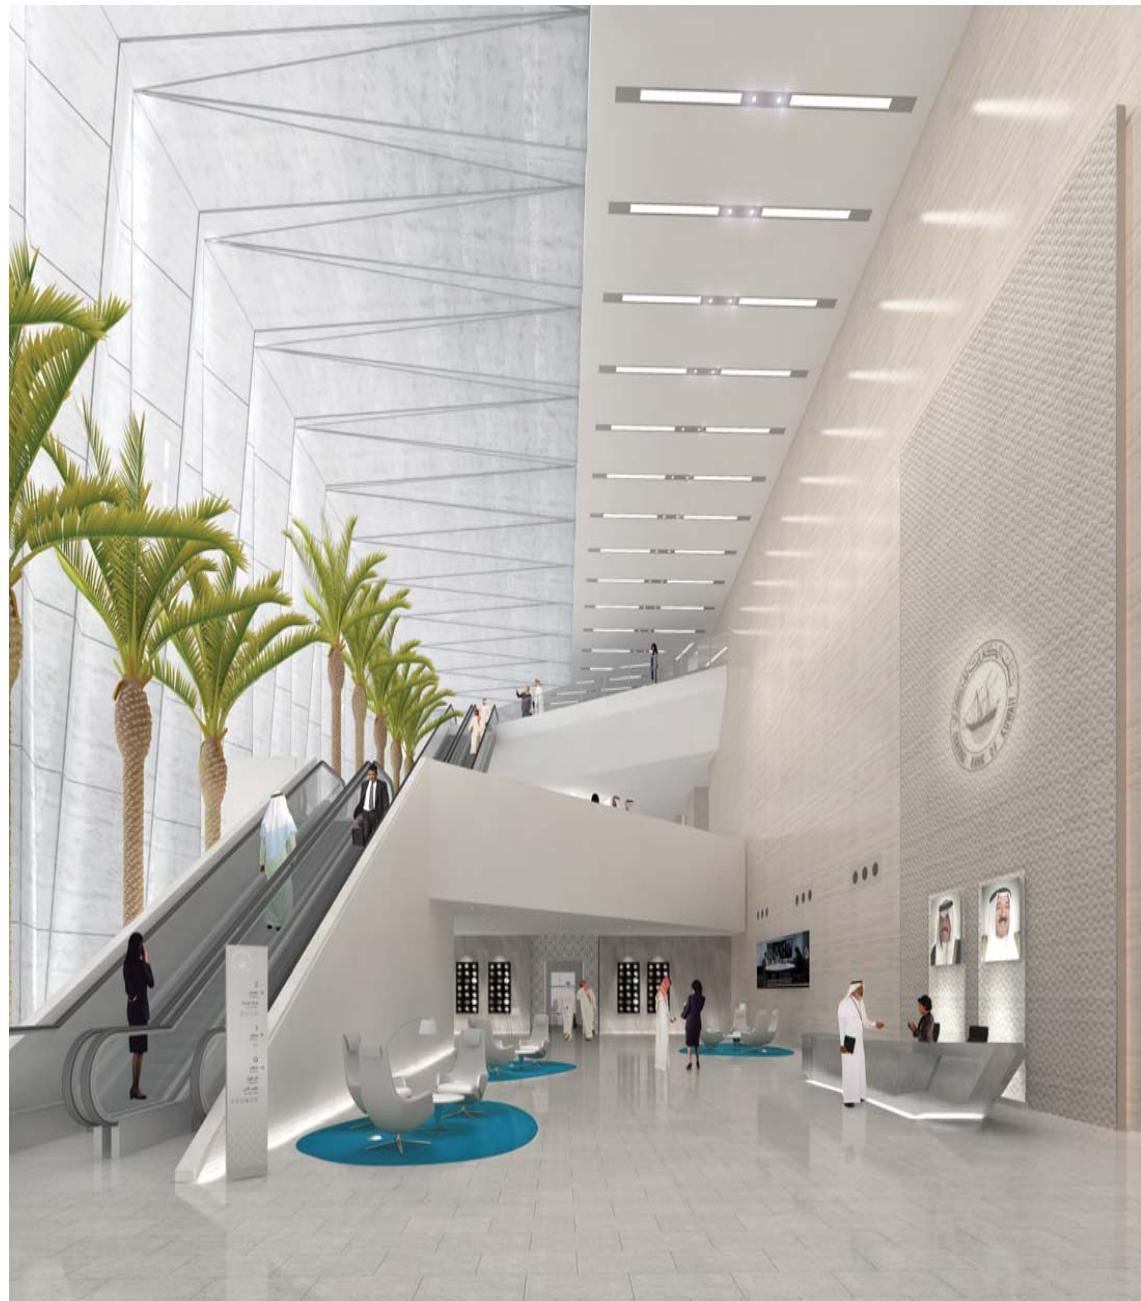

## DESIGN CONSIDERATION:

1. Relocate reception desk-reception desk to align with entrance and adjacent wall
2. Adjust location and choice of furniture: position changed to address desk location and route into museum. choice of furniture to be classic contemporary aesthetics elements
3. possible location for concierge
4. Proposed location for a water feature water
5. Coordination with cbk logo and Way finding
