**Philadelphia, Pennsylvania – June 16, 2016** – SAGE Project Management, LLC, a business specializing in, Construction Project Management and Consulting, received national certification as a Women’s Business Enterprise by the WBEC PA-DE-sNJ, a regional certifying partner of the Women’s Business Enterprise National Council (WBENC).

WBENC’s national standard of certification implemented by the WBEC PA-DE-sNJ is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

### **About SAGE Project Management**

SAGE Project Management is a Women-Owned Business Enterprise located in Philadelphia, Pennsylvania, dedicated to providing first-rate customer-centric Owner’s Representative professional services. Owner, Jamie McDonald, began her career in the industry with an Engineering background and found her niche in the Construction Management sector. Utilizing over 10 years of experience and a technical education, she is able to effectively execute each necessary step when working with a diverse set of partners and stakeholders. As a small company, SAGE is able to offer cost-effective professional services and recruit resources from the WBE community as needed on a job-to-job basis. Our team focuses on ensuring expedited response times and a commitment to exceeding partner expectations from onset through completion.

### **About WBENC**

The Women’s Business Enterprise National Council is the nation’s largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC’s certification as an integral part of their supplier diversity programs.
