Cr80 (Credit card) artwork specs.

Size = 85.72mm x 54.03mm
Supply art as a hi-rez PDF with text to curves / paths.
3mm bleed

There can be upto .5mm variation in die cutting so no tight bleed to edge of card please.
If there is variable data please supply fonts for use with PC.
We print digitally so all colours will be out of CMYK.

If you have any questions please email scott@morph.co.nz
