

TRIM & DASHBOARD ENHANCER

350g

Wolfchester Trim & Dashboard Enhancer

PROBLEMS & CAUSES: Deterioration of vinyl, rubber mouldings and plastic parts due to age and weathering can cause car trim to look worn and dull. Hinges and moving parts can become restricted due to lack of lubrication.

FEATURES & BENEFITS: Wolfchester Trim & Dashboard Enhancer is a dry, non greasy formula which will restore faded and worn car trim, dashboards, doors, rubber mouldings and similar surfaces. Its' unique qualities also act to protect surfaces from sunlight and weathering. Wolfchester Trim & Dashboard Enhancer can also be used to lubricate and protect hinges, slides, locks and electrical and mechanical equipment. The dry satin finish resists attraction of dust and grime.

CAUTION: KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE: Shake can well before using. Ensure surface is clean and free from grit and grime. Spray surface from distance of 15 to 20 centimetres, avoiding painted surfaces. Large areas may require wiping after application.

SAFETY DIRECTIONS: Do not puncture, or incinerate can, even when empty. Intentional misuse by deliberately concentrating and inhaling contents can be harmful or fatal, irritating to eyes.

FIRST AID: If poisoning occurs, or for advice, contact a doctor or Poisons Information Centre on 13 11 26 (Australia) or 0800 764 766 (New Zealand). If in eyes flush with plenty of water for 15 minutes and seek medical attention immediately, Toxic if swallowed.

If swallowed, do not induce vomiting. Drink one glass of water.

FLAMMABLE: Do not store or use near fire or flame.

EMERGENCY PROCEDURES: Keep away from heat, sparks, flame and other sources of ignition. Wear all appropriate personal protective equipment during use. Avoid skin and eye contact. Use with adequate ventilation. Avoid breathing vapours. Avoid smoking, eating and drinking during use. Wash with soap and water after handling. Containers of this material may contain hazardous residues when emptied. Do not use on hot vehicles.

STORAGE & DISPOSAL: Keep in a cool place out of the sun. Do not store above 50°C. Dispose of cans thoughtfully or via an authorised chemical waste facility. MSDS available upon request.
