**Avery** will enjoy the rest of her life in foster care with Sedona.

### GIBBS

Gibbs was found as a stray, just looking for someone to be his best friend. He came to us with a big smile and a desire for love and attention. Gibbs also had chronic ear infections which required constant medical care. He is now enjoying his new family and being able to run, play and just be a happy dog.

**T**here are no lone wolves in rescue. In the two years that Sedona Shepherd has been in existence we could not have been as successful as we have been without support and help from our volunteers, supporters and friends in the rescue community. In over 2 years we have directly saved 70 German Shepherd and mixes. We have found forever homes for 60 of the saved dogs, one dog is a permanent foster and one passed away from old age. At the time of the printing, we have 8 available for adoption. The average age of a dog coming into our program is 7.5 years old.

Our annual calendar would not be possible without the wonderful photography of Afton Philhower Photography, Lisa Fardella, Tracey Meyer, Mark Pfeifer, and our adopters. For the second year, the layout was conceived and created by Chris McDonough Design. A big thanks goes out to Lynn Gregorski and the crew at Rapunzel Creative. Putting together the package is the team at Minuteman Press of Levittown, NY.

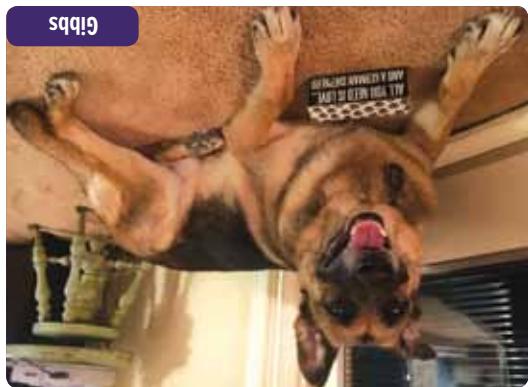

We would not be able to save so many dogs without the fantastic care provided by Fanwood Animal Hospital, Crown Veterinary Hospital, American Animal Hospital of Randolph, Morris Plains Animal Hospital, and Dr. Bob Stephens. The staff at Tip Top Kennels, Elizabeth Ann Kennels, and Brookside Kennels of Warren always make sure our dogs are given extra TLC.

### REX & TANKA

Rex, (shown sleeping) lived in the city all his life. After 7 years he sadly found himself at a city shelter all alone. Today, Rex enjoys a large fenced in yard in the suburbs. Even better, one month after being adopted, Tanka, a female German Shepherd entered his life. The two are the best of pals.
