

# Big Game Golf

The only comprehensive Golf Networking and multi-group Gaming platform you'll find.

Built by golfers for golfers. Every screen, every feature has come from the field up. BGG is the only golf app that's been specifically designed and built for the GOLFER. Not for the advertising, not for annoying pop-ups or ads, not for constant and useless feeds.

We built BGG for the golfer to get more fun out of the game they love. Easily find, connect and grow a great circle of golf buddies.

Take the fast  
path to  
Bigger Games,  
Bigger Fun!

# Jump Start Program

# Big Game Golf Jump Start Program

Welcome to Big Game Golf's Jump Start Program.

**With Jump Start, we'll help get your group of players into the system easily with the right BGG**

Community, so everyone is connected from the get go.

Here's how it works:

1. We'll send you a template email with your custom Promo Code and a registration link.
2. You'll send an email to the players in your group with the instructions on how to easily register with the Promo Code.

3. When a player registers, we'll send them an email with instructions on how to download the BGG app.
4. With the app downloaded, they'll login with the information they registered with and set their personal preferences.
5. In the setup email, we'll also provide an overview of what to expect now that they are part of Big Game Golf. We'll describe the invite and response process so there are no surprises.

6. Lastly, we'll send out updates once in awhile to the BGG app. Letting you're players understand how that may effect them.

In addition, we'll teach key game organizers how to setup games, manage the field, invite players and a host of other cool functions they'll have at their finger tips.
