About Lake Union Rotary: We're young, we're fun and we're not your father's Rotary. Chartered in 2007, we're one of the youngest Rotary Clubs in Seattle and the only floating Rotary Club in the US. As part of Rotary International, our mission is to provide service to others, promote integrity and advance world understanding, goodwill and peace through our fellowship of business, professional and community leaders. Our motto is "Service Above Self". We're looking for people with heart and passion who want to invest some of their time and talents to make a difference in the world. Visitors are always welcome on Friday mornings from 7:15am to 8:30am at the Center for Wooden Boats for complimentary breakfast and an educational and inspiring program.
