Sannino Bella Vita Vineyard in the heart of Long Island's North Fork Wine Country is creating wines from their certified sustainable vineyards. With an emphasis on wine education, low-impact farming and a holistic approach to winemaking, our limited case productions reflect the purist expression of each grape variety and the terroir of the North Fork. Sannino Vineyard has also become one of the most popular destinations as a bed-and-breakfast.

This ripe vintage driven Cabernet Franc displays a color intensity that is deeply pigmented and shows obvious aromatics suggesting raspberries, violets, currants and herbs. A medium to full bodied smooth mouth feel and ripe fruit driven flavors are held together with astonishingly gripe tannins. With its peppery accents this wine

will pair well with any poultry dish, lasagna, Mediterranean cuisine and spicy fare.
