smoothies Flyer requirement

- I need to have one flyer for each drink, with the following information:
 - Background should be a tropical/exotic background
 - Drink Name should be there
 - 100% Natural Fruit stamp should be there
 - Pictures of the fruits in each drink to be clearly showing on the flyer
 - Benefits of each drink to be added
 - Check www.fruteiro.com to have an idea about the look and feel of the brand, so that you use the same branding guidelines
 - Also refer to the kiosk picture to understand how we sell them in the kiosk

Popsicles Flyer requirement

- I need to have 2 flyers each showing 3 popsicles together, with the following information:
 - Background should be a tropical/exotic background
 - Popsicles flavors should be there
 - 100% Natural Fruit stamp should be there
 - Pictures of the fruits used in the popsicles to be clearly showing on the flyer
 - The flyer general frame, branding, look and feel should be similar to the Smoothies flyer

Acai Bowls

Flyer 1

Popsicles Flyer requirement

- I need to have one flyer showing 1 acai bowl with the following information:
 - Background should be a tropical/exotic background
 - 100% Natural Fruit stamp should be there
 - Pictures of the acai fruit to be clearly showing on the flyer
 - The flyer general frame, branding, look and feel should be similar to the Smoothies flyer
 - Put the benefit of the acai:

Acai berries are higher in antioxidants than other popular berries such as cranberries, blueberries and strawberries. They're also high in fiber, calcium and vitamin A. Acai berries have been widely marketed as a "superfood"
