

## Testimonials

- My mom lived in five private care homes. When she moved to Vickie's she said, "I've finally found my home."

- "I lived in a facility where everything seemed to be...door..., door..., door... Here is small, familiar and comfortable"

- "I'd be miserable in a nursing home!"

*If you are one of the millions of people who feel this way, we say,*

*"Trust your instincts"*

Discover that smaller is better where full service care is provided in a real home.

**Smaller is better  
When it comes  
to the elderly**

**Our unique homes  
are designed to  
make the  
surroundings  
familiar and the  
care consistent.**

**Please call for a personal tour and  
experience the Abundant Life  
difference.**

# Why Abundant Life?

**Choosing the right place** for your loved one is an important decision. Abundant Life is here to help give you peace of mind.

Innovative care in a residential environment provides a wonderful alternative to institutional living. Our residents truly become a family because of the small, intimate, home-like atmosphere.

Our first concern is making life safe, comfortable and enjoyable for those who have been entrusted to us.

## SERVICES

- Medical supervision provided by visiting physicians and nursing personnel
- Rehabilitation, home health and hospice services available through licensed professionals
- Medications and incontinence management
- Personal attention, caregiver involvement and heightened activities focusing on hobbies, crafts, exercise, music therapy, holiday and birthday celebrations, and plant and pet therapy.
- Nutritious home cooked meals and snacks with emphasis on hydration.
- Assistance with bathing, grooming and other personal needs including daily laundry and housekeeping.

## ABUNDANT LIFE IS YOUR HOME

The comforts of home in a private luxurious setting, allows loving care with dignity

Private or companion rooms, elegantly furnished or personalized to your style.

A living room, family room, dining room, sunroom, and kitchen residents can call their own, so they can live the way they always have.

Enjoy beautiful days on the patio and in the lovely garden area with beautiful trees, flowers, birds and pets.
