

The Lady said the King, your father, has been murdered
in his bed. The evil Brother is plotting to take the
throne. Your mother, the Queen, is in great danger.

His Son, you,
must rise and
protect your
mother. ~~and~~
Your evil uncle
cannot be made
King.

Augie realized what had to be done. "Hero cannot command an army with a disability. The citizens would shun ~~Hero~~ him."

On Topworld,
surgeons can straighten
Hero's leg.

I must take him to
Topworld, where
medicine ~~was~~^{is} allowed

The three travelers, Augie, the Lady, and Hero set out. The journey to Topworld was long and the way pitted with danger. Only Augie knew the secret way there.
