

Hero wanted to be a Prince again and wear the crown. Hero wanted to save his mother, the Queen. Hero wanted to walk tall amongst his subjects. Hero did not wish to only dream.

When they returned to Mantlelonia, Hero went out and raised a small army. He found many subjects hiding that did not support the evil uncle at all. Hero collected the loyalists and formed a small but strong army.

Save the kingdom

He spoke to crowds

He fought those that challenged him to prove his worth.

At last the time came. He would reclaim the throne.
