

Curvas Peligrosas T-Shirt

Either one of these Poses
without cigarette

I like this dress. However, I
would like it to be pink

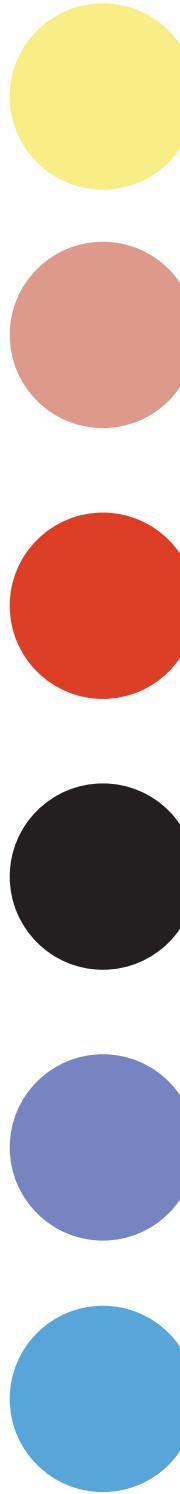

I would like to have this scene of the motorcyles
to be happening around the woman. With the blue
swirl the motorcyles are on to start at womans thigh
and motocycles racing wrap around woman.

For Fonts I like both
The Suspicion and
Casablanca fonts. I'd like
for the tee to say
¡Curvas Peligrosas!

These are the colors I like

For the end result,
I am looking for this feel
