

On the day when our lives are reviewed, God will not request a recommendation from your reverend. He will look you in the eye and ask you, "What did you do?"

It is the duty of Christians to paint a picture of Jesus by our actions. This cannot be done effectively from the current church model. Not everyone that loves God is interested in attending church.

I Am Church: Converting Passion into Praise discusses worship and growth and is focused on your passions and talents, not just the activity of one day. This book suggests building a community that will support the conversion of passion into praise.

Do I need to go to church to have a connection with God? How can you be a church every day? How can you expand your influence? How can you show the world Jesus?
