ALBIXON BOX main advantages ✓ limited editions ✓ ready for shipping ✓ quick and simple installation

Lean on wall enclosures

Custom

Many lean on wall enclosures can be ideally used where the swimming pool is situated too close to a building or a wall.

In that case the enclosure is anchored in the ground on one side and mounted on the wall of the building on the other – from the top or from the side. You can make choice between the Dallas and Casablanca models, in a wide range of colours and accessories. We will suggest the most suitable solution just for you.

Lean on wall enclosures

Custom

Possible sizes - lean on wall dallas

Width „B“	from 201 to 700 cm
