THE NEXT GENERATION

**Kidz Quest** is Beacon's religious education program for children that meets during the Sunday morning worship gatherings. Kids are taken on an adventure into God's Word, where they learn, grow, and have fun with others their age.

We are devoted to the spiritual development of children from birth to adulthood. We offer Dedication Ceremonies, First Holy Communion Classes, and a Baptism & Confirmation Class for teens.

SIX  
WEEKS  
TO SIXTH  
GRADE

**Ignite** is a Sunday program designed specifically for 5th & 6th graders. Check Beacon's website for current times.

Fusion Student Ministries

comes alongside 7-12th graders to encourage and guide them. A foundation of Biblical morals and principles is built that will follow teenagers into adulthood.

Teens can't wait to come out each week to have fun with their friends and learn how much God loves them. These years can be tough, but Fusion is a safe haven and a positive influence that will help shape the lives of the next generation.
