

Love God

THROUGH
WORSHIP GATHERINGS

Beacon's **Worship Gatherings** are designed to lead people into a deeper love for God. Join us on Sundays for worship and reflection with inspiring, live music. You will celebrate communion with authenticity and be challenged by Bible-based teachings that are relatable and engaging.

Love People

THROUGH
GROUP LIFE

Connect

with other followers of Jesus in meaningful relationships in **Small Groups**.

Each week, people gather in homes throughout the area to share life together and learn to apply God's Word to everyday life. These groups equip people to love others well while also providing the venue for authentic, Christ-like love to be expressed.

Start Here

The first step to connecting in Group Life is the **Alpha Course**. This 8-week course will give you the chance to explore life's biggest questions and get to know others at Beacon.
