

We want to create a similar design to print on t-shirts

## Requested design inputs:

- Make your own version of this design for t-shirt
- Use the same saying "Offline is the new luxury"
- **The background should be transparent so we can print it on different t-shirts colors**
- Make the text bigger and more notable
- This t-shirt design is intended for camping lovers who likes to go camping with their RVs
- The age range of our target audience is 45-75 years old
- The gender diversity is 65% women and 35% men
- Our target audience love cartoon like designs
- RV, people and BBQ are the main theme of our target audience – you can add camping people to the design
