## **Executive Consulting and Fractional CHRO Deliveries**

### **Focus Competencies Include:**

- ➔ Senior practice in employment law consulting, expert affirmative defense and legal risk management
- ➔ Comprehensive fractional Chief HR Officer deliveries with scheduled or on-demand access
- ➔ Corrective action counseling, employee disciplines, redemption and/or safe termination
- ➔ Crisis management, handling and avoidance
- ➔ Custom policy/practice design via executive-level coaching and mediation
- ➔ Candidate background investigation and due diligence for comprehensive risk management
- ➔ Anti-harassment/anti-discrimination training, investigation and affirmative defense
- ➔ HR/OD infrastructure coaching, process design, technology and empowerment of the client's internal HR team
- ➔ Employee assessment, education, development and advancement planning; skills gap solutions
- ➔ Team motivation, engagement, culture, branding and workplace productivity
- ➔ Change management; growth or resizing, mergers and acquisitions, "dressing for sale"

### **Fiscal Impact:**

- ➔ Whereas CHRO annual salary can surpass \$300,000 (payscale.com and BLS) and employment attorney annual salary can surpass \$175,000 (lawyer-salary.htm), our services exceed required knowledge-base of each at a scalable fraction of cost.
- ➔ Trusted Subject Matter Expertise (SME) to business owners, executives and HR/OD leaders for organizations small through major market headcount, saving and earning employer clients up to multi-millions per project with ROI exceeding 1000:1.

### **A Few Highlights of Managing Partner's Credentials:**

- ➔ Recognized as a "Pioneer of HR Management and Research" in Fortune Magazine and called upon by the Institute of Management Consultants and SHRM to preside on certification panels and establish nationwide professional standards.
- ➔ Award-winning entrepreneur, philanthropist and community leader, earning honors from Ernst & Young's Entrepreneur of the Year program, legislative officials and esteemed high-impact organizations.
- ➔ Recognized by the U.S Patent and Trademark Office for multiple professional inventions enjoyed universally today.
- ➔ Combined doctorate-level studies at the intersection of Employment Law, Business Administration & Organizational Psychology.
- ➔ Extraordinary practical sense, unsurpassed field accomplishment and an unstoppable work ethic.
- ➔ Consistently pursued by news media, esteemed academia and top professional organizations for rare insights into future trends and cutting-edge solutions.
- ➔ Called upon by fellow legal professionals and courts as expert witness with unblemished record of protecting client employers in affirmative defense to reasonable care.
- ➔ Accepted the challenge and succeeded to drive a small certified Disadvantaged Business Enterprise, powering forward to surpass \$50 million in aggregate worldwide sales, 35 years of high-impact success and surpassing 1500 field employees.
- ➔ 20+ years' esteemed guest professorship and curriculum design for top universities; 30+ years high-powered mentoring and training of emerging HR/OD influencers and generalists.
- ➔ 30+ years' elected Board of Director service to esteemed private, charitable, community and legislative organizations.
