

(These are some of the sections and some ideas for text. You can also find features, benefits, and text ideas by examining the websites of companies that offer "restaurant fire suppression" services).

RESTAURANT FIRE SUPPRESSION

Find out why thousands of restaurant business owners use Allstate Fire Equipment for all of their fire protection needs. After more than 25 years, AFE is now the leading commercial kitchen fire protection company in all of New England.

Our professionals are unsurpassed in fire suppression and related services for food service businesses of all types and sizes. We use the latest technology and all of our technicians receive continuous and ongoing training in the newest products and solutions offered by a wide range of top manufacturers. Here are just some of the many manufacturers and systems our highly trained experts can help you with:

- Ansul R-102
- Ansul Piranha
- Amerex
- Buckeye
- Kidde
- Range guard
- Guardian
- Protex
- Pyrochem

Our professionals can help you with every aspect of your fire protection project, including design, installation, maintenance, and emergency service. Call us today for a free survey and estimate.

HERE IS SOME COMPANY TEXT

AFE has New England covered. We have more locations in New England than any other fire protection company. This guarantees that the help you need is always close by.

Our new state of the art fleet service management system gives every technician and customer service person instant digital access to every detail regarding equipment, configuration, and past and future maintenance records and requirements.

PORTABLE FIRE EXTINGUISHER INSPECTION AND SERVICE

Our team of NFPA-10 certified technicians can help you to:

- Protect the lives and safety of your employees and customers
- Conform to all federal, state, and local laws and codes
- Meet all NFPA standards
- Meet all insurance requirements
- Keep all your equipment functioning perfectly
- Verify you have the correct type of extinguishers for your specific hazards
- Verify you have the correct size extinguishers for your building size and probable users

FIRE ALARM INSPECTION AND SERVICE

Our alarm division is licensed and fully trained to help with all of your alarm needs, including:

- Installation
- Testing
- Inspections
- Service
- Fire Alarms
- Burglar Alarms
- Security Cameras
- Access Control

EMERGENCY LIGHTING SERVICES

Emergency and Exit lighting is a lifesaving component of your emergency safety plan. The correct operation of these fixtures in the event of an emergency means that your staff and customers are able to find ways to exit the facility safely. Our professionals can inspect, test, and replace your lighting systems as needed to conform to the NFPA-101 life safety code.

24/7/365 SERVICE

We take great pride in the fact that ALL of our customers receive 24-hour emergency service. We will respond to your emergency call 24 hours a day, 7 days a week, 365 days a year.

STATE OF CONNECTICUT IMAGE WITH "Fire" PINS AT OUR CUSTOMER LOCATIONS

"Choose the company trusted by over 50,000 of your closest friends and neighbors".
