

Center this logo and increase the ize slightly to fill the space and then also center 'YOU CAN TRUST'

Line can be seen, need to be deleted.

Can you make a space between HAPPENS and the TM. And make the TM non-italic and smaller in size (Similar to the circled R size next to Realtor)

Can this logo be moved down a little, to match the bottom of the email address?

I tried to center the logo and 'you can trust' just to see how it looks. I like it.
