# K<sub>3</sub> Energizing Beverages

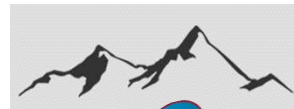

**Description:** K3 Energy Ventures, LLC is a holding company for a manufacturer of beverages to be marketed under the brand K3 Energizing Beverages. We are looking for a logo. It needs to be simple, clean, and basic. Our idea is to incorporate a silhouette of 3 mountain peaks somehow into the logo. Also with the mountain silhouette, we would like the “K3” Additionally, we would need an alternate logo to include the words “Energizing Beverages” with the K3 logo. Please see thought ideas attached.

**Colors:** Open to all ideas and concepts.

**Look & Feel:** Clean. The mountain silhouette should be understated and complementary.
