(Re)Insurers	Insurtech / IoT	Vendors and TPAs
<p>“</p> <p>“Ricker has a unique skill set in property cat that helped us refine our approach, particularly in the challenging Florida market. He was instrumental to us in distilling down our business plan, interactions and approvals with the Florida OIR, pricing and product development, and executing on our business plan.”</p> <p>Founder and President, Insurance Company</p>	<p>“</p> <p>“We didn't realize how hard insurance is. Bob's operational insights and suggestions across the organization (i.e., from submission/bind through to claims handling) accelerated our launch and build-out by a number of months. He was especially valuable in helping us work through operationalizing new technologies to make the process smoother, more efficient, and consumer-friendly.”</p> <p>Founder and COO, Insurtech MGA</p>	<p>“</p> <p>“Ricker knows everybody in this space. Important as his connections were to us, also provided huge value to us in preparing and responding to RFPs. He's <u>enormously</u> worth every penny!”</p> <p>CEO, Third Party Administrator</p>
