

DESIGN BRIEF – “GEEKS” Design

- Using a similar typeface or hand-lettering, create the word the word “Geeks”.
- Please keep the inside of the lettering dark blue, and the white trim, but replace the orange with Pantone Blue 299 U.
- I would also like a version of this with the dark blue interior and white trim only.
- Do not include the orange “D”, or any of the other trademarks/images on the shirt.
- Designs will be printed on Navy Blue, Heather Charcoal, and Heather Gray shirts.
