WHY WE ARE DIFFERENT

QUALITY COMMITMENT

As an experienced commercial and home building group, we deliver high quality projects across Auckland with our best-selected team. We truly understand that it is not just another building project, it is creating a building for a neighborhood, a shopping center or simply a home that fits your desire. After many years of working in the industry, we have established a great reputation in the industry working on key projects for Middlemore Hospital, Sky City, Auckland Airport, AMP, SKHY2, Or Miston Hospital, and a wide variety of different sizes businesses.

AA Building are devoted to providing quality commitment to all the projects we work across in New Zealand and Australia.

EXPERIENCE AND INNOVATION

Utilizing all the most modern building materials and techniques, AA Building Services always stay ahead of the curve in comparison with other competitors in the market. We have a research team to conduct and release the best tools for the job to be quick and efficient appliances in the world and apply into the company. Other clients love us, why don't you?

CONTRIBUTION TO THE SOCIETY

As proud New Zealanders, we contribute to the neighborhood and society to give back. We are currently employing blind people to the Telesales team, using environmentally friendly/green products when we can. We utilize wood waste to build the fences for charity organizations in New Zealand. We have created jobs in the building sector for many workers who have come from disadvantaged backgrounds by supplying them jobs and helping them adjust.
