Eastpointe helps get students back on track to graduate and prepare them to make positive choices about life after high school. Whether its college education, vocational training, military service or employment, we work with each student to identify potential, skills and interests for successful goal setting and direction.

With a structured yet flexible approach to their academic studies, each student receives **★** mentoring and life coaching for a holistic approach to their high school experience.

We offer flexible schedules and start times. Convenient morning and afternoon sessions, **★** Monday-Friday between 8am and 4pm, so they don't have to choose between life, work or school.

★ We provide emotional support to develop positive relationships with their peers, family, friends and co-workers to become productive citizens.

Our strong community connections allows for **★** Internships, job shadowing and professional relationships with adults who want to help your student explore options for life after high school.

★ We have open enrollment throughout the year so you can enroll at any time and we are a year-around school.
